

Monthly Production Plan - June 2026

Prepared by: Anoop K. Nair, Production Supervisor

As an SME with a single assembly line and a team of 12 employees, VOLTORA plans production in small, frequent batches derived from the Monthly Demand Forecast and current Stock Register levels, targeting a finished-goods service level of 95%.

Planned Production Quantities

Product ID	Product Name	Planned Qty (June 2026)	Line
VOL-LED-01	LED Bulbs (9W)	744	Assembly Line 1
VOL-LED-01	LED Bulbs (9W)	981	Assembly Line 1
