

Dispatch Standard Operating Procedure

Document No: SOP-WH-05 | Effective Date: 01-Jul-2025

Procedure Steps

- Step 1: Confirm vehicle arrival against the Delivery Schedule and verify driver/vehicle details.
- Step 2: Load packages in reverse delivery-route sequence to ease multi-stop unloading.
- Step 3: Generate a Delivery Challan and Invoice for each Sales Order being dispatched.
- Step 4: Obtain driver signature confirming quantity loaded; update Shipment Tracking Report.
- Step 5: Notify customer of dispatch with expected delivery date.
