

Warehouse Standard Operating Procedure

Document No: SOP-WH-01 | Effective Date: 01-Jul-2025 | Version 1.0

1. Purpose

This SOP defines standard procedures for receiving, put-away, storage, picking, packing and dispatch operations at VOLTORA's single warehouse in Edappally, Kochi.

2. Warehouse Zones

Zone	Purpose
Receiving Dock	Inbound goods inspection and staging
Bulk Storage	Pallet-level storage of high-volume SKUs (LED bulbs, tube lights, chargers)
Pick Face	Fast-moving small items for order picking
Packing Area	Order consolidation and packing
Dispatch Dock	Outbound staging and vehicle loading
Quarantine Area	Rejected or hold material pending disposition

3. General Rules

All movements must be recorded in the stock register within 30 minutes of physical completion.

FIFO (First-In-First-Out) is followed for all SKUs unless otherwise specified.

Only trained personnel may operate the warehouse's hand pallet trucks and packing equipment.
